

No more missed calls. No more staff burnout. Just **lifelike voice AI** that answers calls 24/7.

Say goodbye to hold times and staff burnout. PolyAI answers like your best agent — instantly, accurately, and 24/7.

Successfully handling more than 5 million healthcare interactions each year, PolyAI's lifelike AI agents manage appointments, enable pharmacy refills and answer FAQs.

Trusted by organizations like Pacific Dental Services, Howard Brown Health, DOCS Dermatology and more, PolyAI delivers seamless patient experiences at scale — turning every call into a productive and empathetic touchpoint.

Absolutely I would recommend PolyAI to other healthcare providers. **I give them a five out five**, they're a game changer.

Lauren Sullivan
Chief Information Officer, Howard Brown Health
